RE: Cal-Am Notification # 13 – Draft Requests for Proposals – MPWSP Fitch Park ASR Wells 5 and 6

This Cal-Am Notification is submitted to you pursuant to, and in compliance with, Section V.B. of the Amended and Restated Agreement to Form the Monterey Peninsula Water Supply Project Governance Committee (the “Agreement”), as revised November 5, 2013, entered into by and among the Monterey Peninsula Regional Water Authority (“MPRWA”), the Monterey Peninsula Water Management District (“MPWMD”), the County of Monterey (“County”), and the California-American Water Company (“Cal-Am”). Capitalized terms used but not defined herein shall have the meaning set forth in the Agreement.

Cal-Am intends to issue two requests for proposals (“RFPs”) for the procurement of two Contracts, each valued in excess of \$1 million, relating to the construction of the ASR Infrastructure. Pursuant to Section V.D., Category B.1., of the Agreement, the Governance Committee may recommend qualifications and selection criteria for such Contracts.

Cal-Am has determined this matter is ripe for presentation to, and recommendation by, the Governance Committee. It is Cal-Am’s current intent to issue the RFPs described above on or about July 31, 2018. The Governance Committee may review and make recommendations relating to the qualifications and selection criteria to be included in the RFPs.

Pursuant to Section V.B. of the Agreement, the Governance Committee shall issue its recommendations, if any, to Cal-Am no later than July 20, 2018. The recommendations should be in writing and sent to Chris Cook of Cal-Am at Christopher.Cook@amwater.com.
