

**Monterey Peninsula Water Supply Project Governance Committee**

**Meeting Date: July 11, 2013**

**Agenda Item: 2. Consider Request that Governance Committee Meetings be Recorded and Televised**

---

**Summary:** At the June 19, 2013 Governance Committee meeting, Water Management District staff was asked to investigate the cost of recording the committee meetings for broadcast on television and for posting on the Committee's web page.

The cost for Access Monterey Peninsula technicians to produce the meetings is shown below. The program could be televised during an available time-slot, to be determined.

**\$80** per hour

**\$200** per two-hour meeting including 30 minutes for set-up

**\$2,200** estimated cost for one meeting per month between August 2013 and June 2014

**Action:** The Committee should review the information provided and decide if monthly meetings should be produced for television broadcast, and determine a funding source.
