5. Italicized numbers in "active connections" column are best estimates by District staff for reports that were received but failed to include current number.

6. Cachagua Road #1 and #2 were switched to agree with records of the County Health Dept. in Reporting Year 1999. Older MPWMD records have the names of these systems reversed.

7. Production and delivery figures in italics were adjusted to account for reports that did not include data for the entire Reporting Year, or reported data for a longer period.

8. Operated by California-American Water Company; Bishop Water Co. was acquired 7/99.

9. Delivered amount exceeds production for this period due to importation of water from the Cal-Am system; actual source of production was AS1-AS4.

10. Formerly reported as "Carmel Valley Mutual Water Company," annexed to Cal-Am in 1993.
