RE: 802 17 Mile Drive, Pacific Grove

To Whom It May Concern:

I will be unable to attend a meeting regarding the use of exterior water on the property at 802 17 Mile Drive in Pacific Grove. However, as the previous owner of the property I can verify that the two parcels have always been used and maintained as one lot. This includes the use of water for landscaping on both parcels. The lot was subdivided officially in 1984 but continued to be used as one property.

For approximately 20 years we used a landscaper to maintain the property. I do not have any of the records, but I'm sure you could contact them. I forwarded a letter from Mr. Craven to the current owner, Mr. Craig.

Yours truly,

John Hansen

Re: 802 17 Mile Drive, Pacific Grove – Water use

Dear Board of Directors,

My wife and I have owned our home at 835 17 Mile Drive in Pacific Grove since 1981. We are located across the street from the above mentioned property. The property at 802 is a large property that extends from the corner of Sinex along 17 Mile Drive towards our property.

Over the last 25 plus years I have frequently seen sprinklers running in the large side yard. There is a continuous fence around the property and the house and yard have been maintained as one piece of property.

Yours truly,
