

EXHIBIT 6X-A

MONTEREY PENINSULA WATER MANAGEMENT DISTRICT

MEMORANDUM

DATE: March 6, 2008
TO: Chair Lehman/Board of Directors
FROM: David A. Berger, General Manager
SUBJECT: Resignation

This resignation memo will serve to confirm my informal notice to you during last Thursday's closed session. My last day with the District will be Friday, March 21, 2008.

I will always be grateful to the Board for having taken a risk in selecting a former city manager as MPWMD chief executive, and appreciate your feedback that my performance met the Board's expectations. Of course, the success I've enjoyed over the past 3 ¾ years was the result of sound policy decisions and support the Board provided, coupled with the dedication, expertise and professionalism of an excellent MPWMD staff.

Good luck in your collective effort to continue moving the District forward.
