Subject: Notice of Revised Date for Hearing Regarding California American Water's
Ryan Ranch Water Distribution System

Hearing Date: January 21, 2009, at 8:30 a.m.

Hearing Location: 5 Harris Court, Monterey, CA

Dear Mr. Anthony:

This notice amends the letter of September 19, 2008 relating to California American Water's (CAW's) Ryan Ranch Water Distribution System (WDS) and reschedules the hearing before the District Board to determine whether, and to what extent, modifications should be made to the System Capacity or Expansion Capacity limits presently specified for the Ryan Ranch WDS.

As anticipated in my September 19, 2008 letter, the hearing scheduled for November 17, 2008, will instead be convened at the District Offices on a special date: January 21, 2009 at 8:30 a.m.

All participants in this proceeding should be aware that the provisions of District Rule 181, disclosure of Ex Parte Communications, shall apply to this matter. District staff will be represented in this administrative proceeding by Fran Farina, who, to ensure due process protection and avoidance of bias, shall be screened from inappropriate contact with Board members and District General Counsel, David C. Laredo.

Should you have any question regarding this matter, including the conduct of the hearing, please contact Mr. Laredo at (831) 646-1502.

Sincerely,

Darby Fuerst
General Manager
