I declare under penalty of perjury that the information on this permit, the accompanying application, and any attachments is correct to the best of my knowledge and belief. I have had an opportunity to review the Rules and Regulations of the MPWMD. The undersigned, as property owner or agent thereof, hereby authorizes MPWMD staff to make on-site inspections as deemed necessary to insure the accuracy of this application and compliance with the permit.

Furthermore, by signing this water permit, the undersigned acknowledges the District's right to assess and collect fees and impose fines for added water fixtures or changes in use occurring without amendment of the water permit. Water fixtures added without amendment of the water permit may be subject to a requirement of removal. The current title-holder of the property and/or his agent is responsible to insure completion of a Final Inspection by the MPWMD. Failure to arrange for a final inspection may result in a Notice of Violation recorded against the property, may subject a future property owner to fees and penalties, or may result in interruption of water service at the site.

7206 # = 621,803 gallons.

(1) Proposed Use:

(2) Previous Use:

Subtract (2) from (1)

(Jurisdiction must authorize water for positive result)

Use Calculations Above

7.58 + 1.92
0
9.5 AF

In completing this Water Release Form, the undersigned (as owner or as agent for the property owner) acknowledges that any discrepancy or mistake may cause rejection or delay in processing of the application. Additionally, the applicant is responsible for accurately accounting for the type of non-residential use. In addition, changes in use or expansions completed without a water permit may result in additional fees and penalties, the imposition of a lien on the property, and the deduction of water from the local jurisdiction's allocation.

I certify, under penalty of perjury, that the information provided on this Water Release Form & Permit Application is to my knowledge correct, and the information accurately reflects the changes presently planned for this property.
