**Status Reports**

**5. Update on September 17, 2012 Adoption of Ordinance No. 154 – Tolling Water Use Credits Affected by SWRCB Order WR 2009-0060**

Pintar reported that the 30-day period in which persons could file a CEQA challenge will close on October 17, 2012. No challenges had been filed as of October 9, 2012. Laredo noted that the Sierra Club has filed a request with the courts that Cal-Am and the MPWMD be required to pay approximately \$300,000 in legal fees related to Cease and Desist Order litigation.

**6. Update on California Public Utilities Commission (CPUC) Proceedings on Water Supply Project**

Stoldt reported that negotiations continue with Salinas Valley growers over reclaimed water rights. The Monterey Peninsula Regional Water Authority, MPWMD and the County of Monterey have submitted a proposal for governance of the proposed water supply project. Cal-Am must respond by October 26, 2012, and also file a contingency plan in case a water supply project will not be operational by 2016. The SWRCB has been asked to make a determination on water rights for the project.

**7. Update on MPWMD Conservation and Rationing Plan as it Relates to CPUC Requirements and the CDO**

Stoldt stated that the community remains subject to Stage 1 water conservation regulations, and that implementation of water rationing may be 2-years off into the future. In early 2013 the District will consider modifications to components of the water rationing plan related to non-residential uses. He noted that water conservation measures have been effective in reducing water use.

**Adjourn**

The meeting was adjourned at 10:10 am.
