Weekend or Holiday, Hourly Rate after initial 4 hours	\$500.00
Pre-Standby Site Inspection, Hourly Rate	\$150.00

For complex entry scenarios requiring more than 2 rescue specialists, call for pricing.

Standby Service Includes:

- 1) Two (2) trained and certified rescue specialists.
- 2) A complete rescue equipment cache including air-monitoring, ventilation, SCBA and supplied air, rigging, retrieval, and patient packaging equipment.
- 3) If possible a full site inspection will be conducted one day prior to the day of entry.
- 4) Written rescue plan and procedures.
- 5) A pre-entry safety and orientation meeting with the entry team and the rescue team. A customer entry supervisor must be present for this meeting.
- 6) After eight hours the hourly rate will increase to double time.
- 7) This rate requires at least 24-hour notice. If less than 24 hours notice is received the rates are increased to double time.
- 8) Holiday and weekend rates are also billed at double time.

All rescue team members will have the following minimum qualifications:

- 1) California State Fire Marshal Certificate for 40 Hour Confined Space Rescue Operational Course.
- 2) Each team member shall have performed at least five standby rescues within the last 12 months.
- 3) Each team member shall have advanced first aid and CPR training as well as current certification.
- 4) Each team shall provide EMT and/or EMT-P.

Depending on the response team, members may have the following additional qualifications:

- 1) Hazardous Materials Technician or Specialist Training.
- 2) California State Certified Paramedic.
- 3) California State Fire Marshall Senior Confined Space Operational Instructor certified.
