Why do you want to serve on the SDRMA Board of Directors? (Response Required)

It has been an honor and privilege to serve on SDRMA's Board of Directors for the past four years. During that time the Board, through prudent financial management has:

I want to continue on the Board to support these programs and seek additional service opportunities to members while providing exceptional value in insurance access.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

My background includes a combination of a strong commitment to the concept of the Special District form of government and a 41 year career in the private personal and commercial insurance industry.

In addition to serving the past four years on the SDRMA Board, I currently serve as:

- Director, Cambria Community Services District
- Director, Special Districts Leadership Foundation
- Commissioner, San Luis Obispo County LAFCO

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

As an insurance professional for over 40 years I have become acutely aware of the need for strong risk management practices and procedures. I work hard to not only manage my own risk, but those of my customers and my Special District. I have a desire to share my skill and expertise with the various Districts in California.

I believe the increasing stress and challenges in risk management for Special Districts need a knowledgeable, committed professional like myself.

My professional life has given me an opportunity to serve various "communities" in a number of ways. Serving on the SDRMA Board is another opportunity to serve, one in which I would be honored to do.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I have served as a Board Member for a number of non-profit and civic groups and agencies. In almost every experience I have been chosen as Chair or President for those groups. I believe this is a demonstration of my leadership skills. I have received a number of awards for that service.

I founded 2 non-profit organizations dedicated to serving my community. I currently serve on 2 CSDA committees. I am a former City Councilmember for the City of Costa Mesa, former Parks and Recreation Commissioner, and previously served as a CMSD Director.

I am a recognized leader and educator in the insurance industry with several awards for my experience in insurance awareness and risk avoidance. I hold a Community College teaching credential in Insurance Education.

As a past international officer for Lions Clubs International, I am often consulted on insurance or risk management issues for local Lions Clubs.

I continue to be the "go to guy" for risk management advice for various local and state groups.

What is your overall vision for SDRMA? (Response Required)

Special Districts are faced with many challenges in today's environment, risk management being one of them. There is a definite need for comprehensive plans for reducing risks, which ultimately provided cost benefits to the Districts. My vision for SDRMA is to advise and help implement the types of plans that allow Districts success. At the same time SDRMA needs to provide comprehensive, low cost coverages to protect Districts from the unforeseen circumstances that will happen. SDRMA continues to provide those benefits. I would look forward to being a part of the process of protection for Special Districts.

Why do you want to serve on the SDRMA Board of Directors? (Response Required)

I was fortunate to be part of the beginnings of SDRMA when it was created in the latter part of the 1980's, then under the name Special District Insurance Agency. From there the focus changed, from not just providing basic insurance, but recognized risk management is the essential service and purpose for the existence of the entity, and therefore, so did the name change to SDRMA. From these experiences on the Board of Directors, I personally grew and became an advocate for its abilities and services. Now retired, but still engaged in community volunteer service, I remain attracted to the work of SDRMA and find the possibility to serve on the Board to be an exciting opportunity, and a position I am sure will be personally fulfilling. The SDRMA Management and Board Team have been providing excellent leadership, maintaining the stability and member services necessary for SDRMA to be successful, and it would be an honor to serve with them.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization) (Response Required)

I have had over 30 years experience in various public service positions. Besides serving my community service district for 16 years, I was elected to the Humboldt County Board of Supervisors in 1996, serving 3 terms before stepping down to take a position as Field Representative for Assemblymember Wesley Chesbro, retiring in 2012. During my time on the Board of Supervisors, I was active in creating joint powers authorities, providing vital services in waste management, energy conservation, and other fields, where I was able to bring their risk management needs to SDRMA. I am familiar with the communities of our northwest counties, i.e. Humboldt, Del Norte, and Trinity from my experiences with both the Board of Supervisors and the State Assembly. Currently, besides serving on the Manila CSD, I am Board member of our local county wide economic development organization, Redwood Region Economic Development Commission, also a SDRMA member; a member of the Humboldt State University President's Advisory Board, and Board President of the North Coast Cooperative.

**What special skills, talents, or experience (including volunteer experience) do you have?
(Response Required)**

From my previous experiences with SDRMA, I have a good understanding of the organization's policies and procedures that provide a systematic ability to offer excellent coverages and risk management services. From my overall experience in public board service, I am knowledgeable of the understanding required to set policy, review and understand budgets, develop and follow appropriate personnel policies, and other legal Board requirements. I have had a good deal of experience in making presentations. I have good knowledge of the legislative process and can assist in guiding efforts to achieve legislative goals beneficial to SDRMA and its members.

What is your overall vision for SDRMA? (Response Required)

Clearly SDRMA has been successful over the years in providing risk management services, attracting and retaining members, providing stable rates, while practicing in a collaborative ability among the Board and Management Team members. It is important to all of SDRMA that these same successes be part of its future endeavors.

At the same time, SDRMA must be mindful of the changes in the risk management world and create responsive business plans that will continue and enhance upon the existing level of services. To do so, SDRMA Board members must remain in good communication with its members; reflecting their concerns and interests, and representing SDRMA wherever possible in their communities. When the Board is considering changes or new level of services, it must remain diligent to protecting its members assets.

I certify that I meet the candidate qualifications as outlined in the SDRMA election policy. I further certify that I am willing to serve as a director on SDRMA's Board of Directors. I will commit the time and effort necessary to serve. Please consider my application for nomination/candidacy to the Board of Directors.

Why do you want to serve on the SDRMA Board of Directors?

I have served on the SDRMA Board of Directors for nearly four years. During this term, the Board has adopted many important programs and policies aimed to provide members cost effective coverage and to support every member's effort to develop safe working environments. During my tenure, the Board voted each year to hold rates flat for the property/liability program; established a multiple-policy discount (5%) for each member who belongs to both the property/liability and the workers compensation programs; created the longevity distribution which shares investment earnings with members who continue with SDRMA programs; established the loss prevention allowance funds which reimburses members for safety-related costs up to \$1,000; launched and enhanced the SDRMA interactive website; strengthened support to California Special Districts Association (CSDA) and the Special District Leadership Foundation (SDLF); provided FREE online training through Target Solutions; and contracted with Company Nurse to provide FREE screening services for work-related injury cases.

I have worked closely with SDRMA for 13 years. I am attracted to its member-focused, pro-active, and positive mission. I would like to see – and be a part of – SDRMA continue this member-centric approach.

What Board or committee experience do you have that would help you to be an effective Board Member? (SDRMA or any other organization)

I am currently serving my second term on the Board of Directors for the Special District Leadership Foundation (SDLF), representing the SDRMA. As a member of this Board I have been part of the renewal and expansion of the SDLF programs, including the premier program, District of Distinction, also the Special District Administrator Certificate, the Recognition of Special District Governance, and the newly created District Transparency Certificate of Excellence.

My career experience with special districts has helped me to understand the issues specific to smaller organizations. I have learned what it really means for an organization to do more with less. I have also learned that political realities for special districts are distinct from other forms of governments. As the Director of Administrative Services for the Mojave Desert Air Quality Management District, I am the staff representative to the Governing Board Committees for Budget and Personnel. I am a member of and have chaired the California Air Pollution Control Officers Association (CAPCOA) statewide committees for Fiscal and Human Resource officers. I organized and have chaired the Alternate Fuel Task Force for the Mojave Desert air basin; I have represented the District in the Antelope Valley Clean Cities Coalition.

My working opportunities have crossed several public service types. I served as the Victorville city representative to the Technical Advisory Committee for the Victor Valley Transit Authority and as the City representative and officer on the Executive Committee of the Regional Economic Development Authority. I volunteered four years on the Board of Directors of the Victor Valley Federal Credit Union. For six years, I worked as an adjunct professor at Victor Valley Community College teaching Public Works Administration.

I have a Life and Casualty Insurance experience and worked in the field in my earlier years. I have extensive experience with group dynamic's and the interplay of Workman's Compensation. I have worked on Legislative issues and developed specific language for successful State and Federal Legislation and have negotiated many successful employee contracts. I have a unique talent working with diverse groups and getting to the heart of an issue.

What is your overall vision for SDRMA? (Response Required)

California is in financial crisis. There are local, regional and national pressures that make stewarding the public trust seem almost a nightmare. SDRMA is planted deeply and perhaps unfairly in the middle of that crucible. It is often said that we must think outside the box for creating solutions. The truth is we must think both outside and inside the box to provide the best service for Special Districts in our Districts and our State. It is my hope to bring a powerful and creative energy to this Board and leave no stone unturned to make SDRMA the best it can be.
