Item 21

SUPPLEMENTAL RECOMMENDATIONS FOR ITEM 21

- 1) The Board should determine whether it intends to develop an argument in favor or in opposition to the initiative.
- 2) The Board should either set a special meeting to review and adopt the arguments for or against the measure; or appoint a subcommittee to review and adopt the arguments.
- 3) The Board should adopt a timeline for the review and submittal of arguments. The District's Elections Official suggests the following:
 - February 26, 2014 – Submit arguments for or against the measure
 - March 6 or March 10 – Committee or Board meets to review the arguments
 - March 14 – AT submits arguments to (a) Elections Dept., and (b) to persons who submitted arguments in favor of and in opposition to the measure
 - March 19 -- Submit rebuttals to arguments for or against the measure
 - March 21 – Committee or Board meets to review the rebuttal statements
 - March 24 – Submit rebuttal statements to Elections Dept.
