Timeframe. Upon acceptance of this proposal, job schedule to be mutually agreed upon and detailed. Job schedule will include a start time, progress time per unit and completion time per each phase and unit.

Permits and Professional Fees/ Requirements. This proposal /contract does not include the cost of a building permit from the local jurisdiction. It does not include costs, if any, should they be required, in order to submit for a permit, (architectural, engineering or other professional fees). This proposal does not include the costs for any engineering certification required (structural, mechanical or other) nor does it include any changes to the scope of work that may be required as a result of that engineering certification. The cost of all government required compliance activities will be an added expense and be reimbursed to contractor at a rate of one hundred ten percent (110%) of the cost.

Changes to work specified. The above costs do not include the repair to hidden or undisclosed damage revealed during the course of construction or demolition outside of the scope of work outlined. Owner, without invalidating the contract, may order changes in the work consisting of additions, deletions, or modifications, the contract sum and contract time being adjusted accordingly. All such changes shall be authorized by written change order signed by the parties. Only one authorized signature from each respective party shall be necessary to execute the change order. All hidden, concealed, or unforeseeable conditions, including water and pest damage and code violations that must be repaired, corrected, or replaced shall result in a change order to the work.

Payment schedule. To be arranged and detailed prior to the start of work. Final payment for all remaining charges to be made upon completion and acceptance of work.

Utilities. All utilities are to be paid by Owner during the construction period.

Insurance. Owner shall carry fire, earthquake and all other necessary insurance on the above work. Service provider to provide Workman's Compensation and Public Liability Insurance.

Delays and Work by Others. Service provider shall not be required to perform this agreement as contracted if subject to lockouts, strikes, accidents or delays beyond its control. Owner agrees that they will not use contractors, laborers, or suppliers except as provided by service provider, and then only in accordance with the terms of this contract. Any deviation must be approved by service provider in writing and Owner may not hold service provider responsible for the quality of work and materials utilized by these persons. Owner will also be responsible for any delay caused by the use or work of any such person.

Dispute Resolution. All claims or disputes between service provider and Owner arising out of, or relating to, the agreement or breach thereof, shall be decided by binding arbitration, unless the parties mutually agree otherwise. Notice of demand for arbitration shall be filed within sixty (60) days after the dispute or claim has arisen.

Litigation and Arbitration Costs. In the event it becomes necessary to enforce this agreement by litigation or arbitration, the prevailing party shall be entitled to court costs, attorneys' and collection fees.

Written Approval. This agreement shall not be effective until it is signed by both service provider and Owner. It is understood and agreed that this work is not provided for in any other agreement, written or oral, and that any earlier oral understanding is superseded by this agreement.
