RESOLUTION NO. 2016-01

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE MONTEREY PENINSULA WATER MANAGEMENT DISTRICT TO FORMALLY INITIATE THE PROPOSED BASIN BOUNDARY MODIFICATION REQUEST TO RECOGNIZE THE ADJUDICATED SEASIDE GROUNDWATER BASIN WITH THE CALIFORNIA DEPARTMENT OF WATER RESOURCES UNDER THE SUSTAINABLE GROUNDWATER MANAGEMENT ACT

WHEREAS, on September 16, 2014 the Sustainable Groundwater Management Act (SGMA) was signed into law and adopted into the California Water Code, commencing with Section 10720; and

WHEREAS, on November 16, 2015, the Department of Water Resources (DWR) implemented new basin boundary modification regulations (CA Code of Regulations, Title 23, Division 2, Chapter 1.5, Subchapter 1); and

WHEREAS, DWR Bulletin 118 was last updated in 2003 and the map (**Attachment 1**) in the area of the Seaside Groundwater Basin is outdated, and does not recognize the adjudicated Seaside Basin boundary per the Adjudication Decision (“Decision”) in 2006 (Monterey County Superior Court Case No. M66343); and

WHEREAS, per the DWR basin boundary modification regulations (§ 343.2), the Monterey Peninsula Water Management District (MPWMD or District) is an eligible local agency whose jurisdictional area lies within or borders the existing or proposed basin or subbasin for which boundary modification is sought; and

WHEREAS, the proposed boundary modification is to recognize the adjudicated Seaside Groundwater Basin as a distinct basin boundary, per the Decision; and

WHEREAS, the adjudicated Seaside Groundwater Basin boundary as defined in the Decision and shown on the map in **Attachment 2** more accurately reflects the understanding of hydrogeologic conditions in the basin than that depicted in DWR Bulletin 118 and the Decision sets forth the physical solution needed for the basin’s sustainable groundwater management; and

WHEREAS, under Water Code Section 10723(c)(2), MPWMD will elect to opt out of being the exclusive groundwater management agency for that area north of the adjudicated Seaside Groundwater Basin that is within the MPWMD statutory boundaries; and

WHEREAS, MPWMD has determined that a Statutory Exemption applies to the proposed basin boundary modification request as defined in CEQA Guidelines Section 15268 (Ministerial Projects), based on previous environmental determinations by the Courts, which limits CEQA review of water-related issues to areas other than the adjudicated Seaside Groundwater Basin; and

WHEREAS, notices of this public hearing on adoption of a resolution to initiate the basin boundary modification request were published on January 14, 2016 and January 21, 2016; and

WHEREAS, on January 27, 2016 this District held a public hearing regarding the adoption of a resolution to initiate the basin boundary modification request;

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of the Monterey Peninsula Water Management District:

1. Hereby establishes the rationale for the District to initiate the boundary modification request to recognize the adjudicated Seaside Groundwater Basin in DWR's Bulletin 118; and
2. Hereby authorizes the General Manager or his designee to initiate the process to request a basin boundary modification to recognize the adjudicated Seaside Groundwater Basin boundary with DWR and provide a copy of this resolution to DWR as part of the formal request submittal to comply with the requirements of the DWR's basin boundary modification regulations (§ 344.2); and
3. All the recitals in this Resolution are true and correct and the District so finds, determines, and represents.
