ARTICLE 6 RETIREMENT BENEFITS

District employees are covered by the California Public Employees Retirement System (PERS) under two tiers.

Tier 1 - Employees hired before January 2013 or considered Classic Members by CalPERS

Tier 1 employees are covered by the PERS 2% at 55 formula. The District also provides them with the PERS Employer Paid Member Contribution (EPMC) under Government Code section 20636, section (C)(4), pursuant to Government Code section 20691, by including the value of the EPMC in salary reported to PERS as compensation. Tier 1 employees have the one-year final compensation benefit for calculating their retirement annuity.

Tier 1 employees contribute towards the District's total normal cost by making contributions of 3% to both the EPMC and the Employer Contribution. Effective July 1, 2018, an additional 2% for a total of 5% of each Tier 1 employee's salary will also be applied to the Employer Contribution portion of the PERS premium. However, the percentage of contributions paid by the employee in each year of the contract shall in no circumstance be more than 50 percent of the total normal cost up to a maximum contribution of 8% of the employee's salary.

Tier 2 - Employees hired after January 2013 and those employees not considered Classic Members by CalPERS - Subject to AB 340, the "California Public Employee's Pension Reform Act" (PEPRA).

Tier 2 employees are covered by the PERS 2% at 62 formula with no PERS EPMC. Tier 2 employees must contribute 50% of the total normal cost rate for PERS to a maximum of 8% of their salary. The District's total normal cost for new members in 2013 is 12.5%. The normal cost rate is subject to change over time, as it will be impacted by risk pool demographics and the actuarial assumptions used in retirement benefit funding. The three-year final compensation period is used to calculate a Tier 2 employee's retirement annuity.

Annual pensionable compensation that can be used to calculate final compensation is capped. The 2013 cap for District employees is \$136,440.

Tiers 1 and 2

The District shall provide the PERS 1959 Survivor Benefit, Fourth Level, at no cost to the employee.

This opt-out provision will be cancelled, in whole or part, in the event the District transitions to a health provider that requires an employee participation rate that would, by necessity, include employees who had previously opted out of health insurance through the District. The option to opt out will be offered on a first-come, first-serve basis up to the maximum number allowable by the applicable District plan. In addition to reimbursing the opt-out employees for dependent coverage under their spouses' plan, the District will pay the premiums for employee elected AFLAC supplemental insurance policies. - C. Pay for overtime shall be at the rate of one and one-half times the rate of regular pay for any hours worked beyond 40 straight-time hours actually worked in a week. Additionally, the eight hours paid for holidays shall be included in the computation of the 40 hours required before overtime is paid.
- D. Overtime is reported in quarter hour increments.

- E. Overtime shall be worked only upon the approval of a Division Manager or his/her designee if absent. Approval may be verbal and documented at a later date and shall indicate the time to be worked and the reason for the overtime.
- F. The District work week is Monday through Sunday. Unless otherwise defined, the work period is eight hours each day, to begin at 8 AM and end at 5 PM, Monday through Friday. Each employee is entitled to one hour for lunch between noon and 1 PM. These hours apply to all employees unless the Division Manager approves other arrangements.
- G. The General Manager shall maintain a current classification of employee positions that are exempt and non-exempt under the Fair Labor Standards Act.
- H. The General Manager shall establish for each non-exempt position the designated work period, the designated work hours and the designated rate of pay. All such determinations shall be provided to each employee and shall be filed in the personnel file.
- I. Compensatory Time — Exempt employees will receive compensatory time for any “overtime” worked. Compensated time will be granted on an hour-for-hour basis and must be used by the end of the six-month period in which it was accrued, or it will be lost. The cut-off dates in which to use the compensatory time accrued within a six-month period are June 30th for January 1 – June 30 and December 31st for July 1 – December 31 of each calendar year. At the start of each six-month period, each exempt employee will have a zero balance of compensatory time, unless otherwise approved by the General Manager. The District will not pay cash or otherwise offer compensation for accumulated compensatory time under any circumstance.

Notwithstanding the above provision, the General Manager may suspend an employee at any time for reasons of investigation for disciplinary action. Written notice of such suspension shall be given the suspended employee as soon as possible, but not later than seventy-two (72) hours after such action is taken. Such suspension is not a disciplinary action and shall not be subject to appeal unless it, or any portion of it, subsequently becomes a disciplinary action. The General Manager may reinstate any such suspended employee to his/her position for good cause and shall, upon reinstatement, restore his/her rights and privileges with back pay for time lost.

ARTICLE 18 GRIEVANCE PROCEDURE

- A. Purpose. The purpose of the grievance procedure is to promote improved employer-employee relations by establishing a procedure for the prompt settlement of certain disputes, herein after defined as grievances.

A grievance shall be defined as a claim by an employee or group of employees of a violation, misinterpretation and misapplication, or improper application of written regulations, resolutions, ordinances, or a memorandum of understanding applicable to the employee. Any appeal of the disciplinary actions of demotion, suspension or dismissal shall be filed and processed pursuant to this section.

- B. Applicability. Notwithstanding the foregoing, the grievance procedure is not applicable and shall not be used with the following:

1. The exercising of management rights by Monterey Peninsula Water Management District, as defined in Article 4, District Rights.
2. Any matter for which a statutory appeal procedure exists;
3. Complaints relating to Equal Opportunity, Occupational Health and Safety, or Workers Compensation;
4. The imposition of disciplinary action with respect to an employee on introductory status;

- C. Format. All grievances must be in writing. Grievances must explicitly specify the policy or the particular section of the agreement, rule, resolution or ordinance, the violation of which is being alleged as the basis for the grievance. The remedy requested must also be specified. An employee is entitled to individual representation at the employee's expense at any step of the grievance procedure.

- D. Processing Grievances.

1. The grievant shall be granted reasonable time off with pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling of grievances.
2. In no case shall Monterey Peninsula Water Management District vehicles be used for transportation by employee representatives in connection with the

processing of grievances nor will reimbursement be considered for the use of private vehicles.

E. Grievance Procedure Steps.

1. Informal Discussion.

- a. The grievance shall first be discussed on an informal basis by the aggrieved with his/her immediate supervisor within twenty-one (21) calendar days from the date of the action causing the grievance.
- b. Every effort shall be made to resolve the grievance at this level.

2. Formal Written Grievance.

- a. In the event the employee believes the grievance has not been satisfactorily resolved, the employee shall submit the grievance in writing to the General Manager.
- b. Within five (5) working days of receipt of the grievance, the General Manager shall schedule a meeting with the grievant, and the grievant's representative, if she/he so chooses, to discuss the grievance. Within five (5) working days of the grievance meeting, the General Manager shall deliver a written decision to the grievant. Any grievance settled at this step shall be subject to Board review.

3. Appeal to the Board

Board review will only be initiated upon written application. Said written appeal shall be filed with the Clerk to the Board and state the basis of the appeal. Any appeal based upon a disciplinary action shall contain a specific admission or denial of the material allegations contained in the notice of disciplinary action.

At the next regularly scheduled meeting of the Monterey Peninsula Water Management District Board, after the filing of the order and appeal with the said Clerk, the Board shall determine whether it will hear the appeal or appoint a hearing officer for this purpose. If the Board determines to hear the appeal, it will set a time and place for such hearing and provide notice to the appellant. If the Board determines to appoint a hearing officer, the hearing officer shall be mutually agreed upon between the Board's representative and the representatives of the Unit. In the event that the parties cannot mutually agree on a hearing officer, the parties shall request a

list from the California State Conciliation and Mediation Service. The Hearing Officer shall then be selected by the parties alternately striking names until one remains. The Hearing Officer shall commence a hearing on the appeal as soon as possible. The appellant and General Manager may appear personally and the appellant may be represented by a Unit representative and/or by counsel at the hearing. The hearing shall be public unless the appellant requests a private hearing.

Before the hearing has commenced and during the course of the hearing, the hearing officer shall issue subpoenas “duces tecum” at the request of either party. Oral evidence shall be taken only on oath or affirmation. The appellant and the General Manager shall each have the right to call and examine witnesses, to cross-examine opposing witnesses on any matter relevant to the issues, to impeach any witness and to rebut the evidence against him/her. Technical rules relating to evidence and witnesses do not have to apply to such hearings. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. At the hearing, the burden of proof shall be upon the appellant except in matters of discipline where the District is the moving party and therefore has the sole burden of proof.

At the conclusion of the hearing, the Board or the hearing officer shall prepare a summary record of the proceedings and prepare findings, conclusions and decision.

Where the Board has determined that a hearing officer will hear the appeal, the hearing officer shall submit a copy of said record and draft findings, conclusions and decision to the Board.

Within thirty (30) days after the filing of the record and recommended findings, conclusions and decision of the hearing officer with the Board, the Board shall adopt such recommended findings, conclusion and decision, or shall reject the recommendations of the hearing officer and adopt its own findings, conclusions and decision after a review of the record. The Board shall affirm, modify or reverse the order of the General Manager. The decision of the Board shall be final, and any review of said determination must be commenced within the time set forth in the Code of Civil Procedure, Section 1094.6.

ARTICLE 19 OTHER EMPLOYMENT.

No employee shall engage in any occupational or outside activity which is incompatible with his/her employment.

An employee engaging in any occupation or outside activity for compensation shall inform his or her Supervisor of the time required and the nature of such activity. An employee engaging in any occupation or outside activity which may be incompatible with Monterey Peninsula Water Management District employment or for compensation, who fails to inform his/her supervisor of such occupation or activity, may be subject to disciplinary action up to and including dismissal.

ARTICLE 20 JOB SHARING.

The General Manager may hire two part-time employees to fill a regular full-time position if the Division Manager determines that the duties of the position can be shared.

ARTICLE 21 REDUCTION IN FORCE

A. General.

From time to time reductions in staff may be necessary. These reductions, (layoffs) occur without prejudice and without fault on the part of any employee. Reductions usually happen as a result of decrease or curtailment in revenues, reorganization of staff, termination of a program or activity, modification or change in service requirements or in the interest of efficiency or economy. Such changes are inevitable given the nature and mission of MPWMD. Alternatives to avoid or limit layoffs will be carefully considered. Unit representatives shall be given at least ten (10) days advance notice before a reduction in force that effects Confidential Staff Unit employees is presented to the Board for action and sixty (60) days advance notice before a reduction in force is implemented. Upon request, the District shall meet with the Unit representatives to discuss alternatives to an impending layoff. However, if the District deems layoffs necessary, the parties shall meet and confer over the effects of such layoffs on the employees within the bargaining units. The District retains full authority to determine what measures are most appropriate under the circumstances.

B. Definition

A reduction in force or layoff is an involuntary separation of an employee from a class of position and from District service. Depending on the circumstances, it may be temporary or permanent.

C. Notice

An employee with one or more year's continuous service with the District shall receive as much notice as possible, but in no event shall notice be given less than two weeks before their effective layoff date.

D. Procedures

In the instance where reduction is necessitated by the termination of a program, employees will be laid off as dictated by mission requirements determined by the General Manager. Employees will be placed on a layoff list, within their job classification, according to their category of employment. For purposes of layoff, categories are rank ordered as follows:

1. Limited-Term employees
2. Employees in introductory periods
3. Part-time regular employees
4. Full-time regular employees

An employee's position on the layoff list shall be based on the employee's total continuous service with MPWMD. For this purpose, continuous service includes employment as a limited-term, temporary, and part-time employee, excluding any break in service.

E. Recall.

If within six months of being laid off it is necessary for the District to increase the work force, laid off employees may be recalled to a vacancy in the last position held with the District or to a comparable position for which she or he is qualified. Such recalls will be according to continuity of employment, i.e., employees with greater continuity of employment e.g., higher in the layoff list, will be recalled from layoff first and placed in available positions, provided they have the necessary skills to perform the required tasks efficiently and are available. Recall notice to employees on layoff will be sent by certified mail to the employee's last known address. An employee must make a written commitment to return to work from layoff within four working days after receipt of notice to return to work and, return to work with the District within 15 days of first notification or lose all recall privileges.

Employees who have been on layoff status longer than six months are not eligible to be recalled, but may apply for advertised employment opportunities and be considered for employment with the District.

Regular employees who are laid off will be notified of advertised vacancies for which their employment records indicate they may be qualified, for 12 months following layoff, if they keep the District advised of their current address and telephone number.

F. Benefits.

Employees who have been laid off are not entitled to benefits. However, they may be eligible for a continuation of some benefits under COBRA and for state unemployment insurance. Information on these topics will be provided by the Human Resource Analyst.

G. District Dissolution or Merger

MPWMD recognizes that a set of changed circumstances would arise, having an effect upon terms and conditions of employment with the District, in the event the District was dissolved, or its functions merged into another existing agency. The District agrees to meet and confer with the Confidential Unit to discuss whether these changed circumstances provide cause to modify terms and conditions of employment. Accordingly, this agreement shall be re-opened, and subject to modification as to wages, hours, terms of employment and working conditions, upon approval of legislation by both the California State Assembly and Senate, the effect of which would be to dissolve the District, or merge its functions into another existing public agency.

ARTICLE 22 DRUG-FREE WORKPLACE POLICY

The District is committed to maintaining a work environment free from the influence of alcohol and drugs in keeping with the spirit and intent of the Drug-Free Workplace Act of 1988. Illegal drugs in the workplace are a danger to all of us. They impair health, promote crime, lower productivity and quality, and undermine public confidence in the work we do. The use of any controlled substances is inconsistent with the behavior expected of our employees. It subjects all employees as well as visitors to our facilities and work sites to unacceptable safety risks and undermines the District's ability to operate effectively and efficiently.

In this connection, any location at which Monterey Peninsula Water Management District business is conducted, whether on District property or at any other site, is declared to be a drug-free workplace. This means that:

1. All employees are absolutely prohibited from engaging in the unlawful manufacture, distribution, dispensation, possession, sale, or use of a controlled substance in the workplace or while engaged in District business off our premises. Any employee violating the policy is subject to discipline, up to and including termination for the first offense.
2. Should an employee be required to take any kind of prescription or nonprescription medication that could affect job performance, the employee is required to report this to his/her supervisor. The supervisor will determine if it is necessary to temporarily place the employee on another work assignment or to take other action as appropriate.
3. Employees have the right to know the dangers of drug abuse in the workplace, the District's policy about it, and what help is available to combat drug problems. The District will provide educational material and conduct training for all employees on this subject. The District also recognizes that substance abuse is treatable and is willing to provide referral assistance to those who want to understand and correct their problem before it impairs their performance and jeopardizes their

employment. One source of treatment for drug/alcohol dependency is provided to District employees through their coverage under the District's Employee Assistance Plan.

4. Any employee convicted of violating a criminal drug statute in this agency's workplace must inform the District of such conviction (including pleas of guilty and nolo contendere) within five (5) days of its occurrence.
5. The District reserves the right to offer employees convicted of violating a criminal drug statute in the workplace participation in an approved rehabilitation or drug abuse assistance program as an alternative to discipline. If such a program is offered, and accepted by the employee, then the employee must satisfactorily participate in the program as a condition of continued employment.

ARTICLE 23 VIOLENCE IN THE WORKPLACE POLICY

The Monterey Peninsula Water Management District recognizes the importance of maintaining a safe and violence-free workplace. In that spirit, all weapons are banned from the District. No District employee, customer, or visitor is allowed to carry weapons of any sort on District property or in a District vehicle. All employees are required to immediately report any sightings of weapons or violent behavior on the premises or at their work sites.

It should be noted that a good deal of District business is conducted off of District property. Therefore, employees must be aware of the need to always take safety and security precautions when performing their duties on private property. However, District employees are prohibited from carrying weapons while conducting District business. Any violent behavior directed at District employees, either while they are conducting District business or related to the conduct of District business, should be immediately reported to the General Manager.

ARTICLE 24 WELLNESS PROGRAM

Employees are encouraged to participate in a fitness program. However, participation is voluntary, and employees do it at their own risk. To further encourage the wellness of its employees, the District authorizes employees (upon approval of an employee's supervisor) who participate in aerobic physical exercise (walking, jogging, swimming, etc.) to use up to 30 minutes of regular work time for this purpose.

Exercise is normally done over the lunch hour, with an extension of 30 minutes. This amount of time is intended to allow the exercising employee the opportunity to receive a thorough aerobic workout, and time to return to work refreshed and relieved of stress. A shower is available for employee use. Approval of wellness time will be dependent upon the division workload and coordination with the schedules of co-workers.

ARTICLE 25 SEVERABILITY

If any section, sub-section, paragraph, sentence, clause or phrase of this resolution is, for any reason, held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining portions of this resolution, it being hereby expressly declared that this resolution and each section, sub-section, paragraph, sentence, clause and phrase thereof would have been adopted irrespective of the fact that any one or more sections, sub-sections, paragraphs, sentences, clauses or phrases be declared invalid or unconstitutional.

ARTICLE 26 TERM OF AGREEMENT

This Agreement shall be effective on the 1st day of July 2016 and shall remain in full force and effect without change, addition or amendment through June 30, 2019, and shall be renewed thereafter subject to reopening by either party upon written notice to the other party no more than 120 days prior to June 30, 2019 or any June 30 anniversary date thereafter.

APPENDIX B - PERSONNEL COMPENSATION POLICY

A. PURPOSE:

The purpose of this policy is to detail the Monterey Peninsula Water Management District's (or "District's") policy for setting the compensation for its employees. The District's compensation policy is important since it establishes the framework in which compensation decisions are made. Adoption of this policy by the District shows consensus regarding the District's compensation practices, and the information presented in each of the following areas will assist District staff in managing the plan over time:

1. Compensation Goals and Objectives
2. Criteria for Selection of Labor Market Survey Agencies
3. Use of Private Sector Employers
4. Labor Market Position
5. Point of Comparison
6. Survey Classification Selection
7. Compensation Survey Scope

B. COMPENSATION GOALS AND OBJECTIVES

The District's compensation plan is an important element of its personnel system and should accomplish the following goals and objectives:

1. Ensure that the Monterey Peninsula Water Management District has the ability to attract and retain well-qualified personnel
2. Provide a defensible and technically sound basis for compensating employees
3. Allow flexibility and adaptability for making District-wide compensation decisions based on changing market conditions
4. Recognize the Monterey Peninsula Water Management District's responsibility as a public agency in establishing a pay plan which is consistent with prudent public practices
5. Ensure that the District's compensation practices are competitive and consistent with those of comparable employers

C. CRITERIA FOR SELECTION OF LABOR MARKET SURVEY AGENCIES

The general objective in selecting survey agencies is to define as accurately as possible the District's "labor market." A labor market is generally that group of

agencies with which the District competes in terms of recruiting and retaining personnel. Because of the uniqueness of the Monterey Peninsula Water Management District, the selection of the labor market survey agencies for the District involves the analysis of a variety of (special) factors. In order to select a list of comparable agencies, the following guidelines should be used:

1. Geographic Proximity Since the Monterey Peninsula Water Management District resides within Monterey County, competing area agencies within this county and/or its closest adjacent counties are the primary survey agencies to consider. Ideally, the geographic area should be limited to a region, which contains a sufficient number of comparably sized agencies (these are arguably the District's closest market competitors). Since, in the case of the Monterey Peninsula Water Management District, insufficient comparable water management agencies exist within close geographic proximity, a more extensive regional labor market is necessary.
2. Employer Size While employer size is a consideration, it is more important to find agencies which provide similar services within the geographic region. Since there are not many agencies which fit this initial criterion, size should not be used as a key selection component in Monterey Peninsula Water Management District's case.
3. Nature of Services Provided Another criterion typically utilized in identifying an organization's labor market is the nature of services provided. This criterion is important for the following reasons:
 - a) Employers who provide similar services are most likely to compete with one another for employees
 - b) These employers are most likely to have comparable jobs
 - c) These employers are most likely to have similar organizational and economic characteristics

This factor requires that the labor market include a significant number of comparable water agencies. This is difficult in the case of the Monterey Peninsula Water Management District, given the water and resource management role of the agency.

4. Cost of Living Differences To ensure consistency in the cost of living of each survey location, a cost of living index should be used for comparison with the District. This index identifies the percentage difference in cost of living between each survey location and the Monterey Peninsula Water Management District. Any location with a cost of living index greater than 100 has a higher cost of living while indices less than 100 indicate a lower cost of living. Generally, differences of less than five percent are not

statistically significant. The use of a cost of living index minimizes the possibility of significant data skewing.

While it is impossible to find agencies that are exactly comparable to the Monterey Peninsula Water Management District, the agencies selected should provide a representative "picture" of comparable agencies. In order to ensure that a sufficient and valid sample of data is collected, 12 to 15 survey agencies should be used. The agencies used for comparison will be subject to review and revision in future compensation studies.

E. LABOR MARKET POSITION

It is necessary for the District Board of Directors to define the position in the labor market at which the District desires to compete. Considering that the survey agencies represent both a comprehensive and balanced set of employers, it is recommended that all initial analyses be based on the labor market *median*, versus the mean (average) or a percentile rank based statistic, in which a percentage of the data is above or below a specific point. The market median is the most stable statistical measure, in which half of the data is above the median and half the data is below. This statistic is based on the ranking of the data and represents the "middle" of the data set. The median statistic is stable for highly variable data sets and will not be significantly skewed by unusually high or low payers, or the addition of some larger survey agencies. Some key elements for consideration when setting the labor market position include:

1. The District's ability to pay
2. Priority of compensation versus other expenditures
3. Recruitment and retention problems
4. Private sector trends and their priority
5. Quality of staff required

A solid, defensible labor market position relies on a balancing of these factors in order to meet the District's compensation goals and objectives. This compensation policy sets the labor market median as the labor market position for the Monterey Peninsula Water Management District. The District may choose to place certain classes above the market median when characteristics unique to the District's position vs. labor market comparable positions, merit this consideration. For example:

1. Difficulty in recruitment and retention
2. High public contact and/or visibility
3. High level of responsibility and autonomy

F. POINT OF COMPARISON

When comparing District salaries with market agencies, it is important to establish a consistent point of comparison. Since all the agencies used in the market survey utilize pay range structures, a critical analysis is needed to find the salary range “control point.” This is the top step or range maximum for those agencies that use the range maximum as the control point. Control point salaries are used if the agency’s range structure utilizes a mid-point or similar reference point. The range control point is that point in the salary range that:

1. Is used to “anchor” the pay range to the labor market
2. Employees will attain through step increases or other increases based on satisfactory performance (range progression beyond the control point is usually based on superior job performance)

Since the District allows employees to reach the range maximum through usual salary range progression, the range maximum is used as the point of comparison with the market agencies.

G. SURVEY CLASSIFICATION SELECTION

Survey classifications represent a sample of all classifications contained in the District's classification plan and provide a reference point for the extrapolation of salary recommendations for non-survey classes. The criteria utilized in selecting these survey classifications are as follows:

1. Survey classes should have a clear and identifiable relationship to other classes in their occupational group. This assures that they will make good references in relating and establishing salaries for other classes.
2. They should be reasonably well known, and clearly and concisely described.
3. They should be commonly used classes such that counterparts may readily be found in other agencies in order to ensure that sufficient compensation data will be compiled.

These factors ensure that appropriate data can be collected in order to select benchmark classes and to determine appropriate internal salary relationships. Because of the size of the District and the unique characteristics of certain job classes, all job families should be represented in the scope of the survey.

H. COMPENSATION SURVEY SCOPE

A systematic methodology and approach supporting the collection and analysis of labor market survey data will provide the District with the guidelines it needs to update the survey in future years.

In addition to collecting base salary information, total compensation data should also be obtained.

A systematic approach taken to collect the survey data will ensure the accuracy of the labor market data and will also serve to assist the District in maintaining a consistent, fair, and defensible compensation plan over time.

Future classification/compensation surveys will be considered as changes in the labor market become apparent, the District experiences difficulty in recruitment, hiring, or employee retention, or at such other times deemed appropriate by the Board.
