PLAN FOR PROVIDING SERVICES
WITHIN THE AFFECTED TERRITORY
(LAFCO Policies and Procedures, Part D.VII.4)

Please provide a plan for providing services. The plan shall include all of the following information.

1. Per Government Code Section 56653:

- (a) An enumeration and description of the services to be extended to the affected territory.
- (b) The level and range of those services.
- (c) An indication of when those services can feasibly be extended to the affected territory.
- (d) An indication of any improvement or upgrading of structures, roads, sewer or water facilities, or other conditions the local agency would impose or require within the affected territory if the change of organization or reorganization is completed.
- (e) Any conditions which would be imposed or required within the affected territory such as, but not limited to, improvement or upgrading of structures, roads, and sewer or water facilities.
- (f) Information with respect to how those services will be financed.

and

2. Supplemental information required for approval of a “new or different service,” per Government Code Section 56824.12:

- (1) The total estimated cost to provide the new or different function or class of services within the special district's jurisdictional boundaries.
- (2) The estimated cost of the new or different function or class of services to customers within the special district's jurisdictional boundaries. The estimated costs may be identified by customer class.
- (3) An identification of existing providers, if any, of the new or different function or class of services proposed to be provided and the potential fiscal impact to the customers of those existing providers.
- (4) A written summary of whether the new or different function or class of services or divestiture of the power to provide particular functions or classes of services, within all or part of the jurisdictional boundaries of a special district, pursuant to subdivision (b) of Section 56654, will involve the activation or divestiture of the power to provide a particular service or services, service function or functions, or class of service or services.
- (5) A plan for financing the establishment of the new or different function or class of services within the special district's jurisdictional boundaries.
- (6) Alternatives for the establishment of the new or different functions or class of services within the special district's jurisdictional boundaries.
