He requested for a draft of the Ordinance No. 152 Citizen’s Oversight Panel Annual Report (report) to be presented before the Panel at least one month prior to being due before the full Board to allow for review, to allow for editorial changes to be had and to reflect at least 11 months of work being reported on. Committee Consensus

By consensus, the committee agreed to continue to meet four times a year and directed staff to draft a set of revisions to the Panel’s charge to ensure future meeting dates of the panel align with preparing a draft of the report and presenting it to the full board a month in advance.
