

**Environmental and Biological Assessment of
Portions of the Carmel River Watershed
December 2004**

Acknowledgements

The Monterey Peninsula Water Management District thanks Clive Sanders for his perseverance, attention to detail, and his great interest in balancing human needs with the preservation and enhancement of the natural resources of the Carmel River Watershed. MPWMD staff members who worked on this assessment included Beverly Chaney, Thomas Christensen, Dave Dettman, Cory Hamilton, Eric Sandoval, Paul Watters, and Jessica Wheeler. Several others on staff, both past and present, made indirect contributions through their previous written work including Martin Canning, Greg James, and Nicole Nedeff. MPWMD would also like to thank Ms. Dawn Reis of Ecological Studies for her timely review and input to this assessment.
